PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Whittier Narrows Dam Recreational Area (Whittier Narrows) is a primary regional recreational facility for residents of the San Gabriel Valley and annually attracts one and a half million visitors. Current services/amenities at Whittier Narrows include two regulation golf courses, sixteen-court tennis facility with pro shop, military museum, archery range, trap and skeet range, small bore rifle range, equestrian center, model hobby areas for planes and boats, BMX bicycle track, disc golf course, baseball, softball and soccer fields and a 300-acre Natural Area.

The recommended action would approve a three (3) year Festivals and Fairs Concession Agreement (Concession Agreement) with O Entertainment, Inc. (OEI), effective the day following the Board of Supervisors (Board) approval. Currently, the Department of Parks and Recreation (Department) does not have a similar type of concession agreement. This new Concession Agreement includes all updated Board language and provisions, increases revenues to the County, and applies a three (3) year term to the Concession Agreement. This Concession Agreement will provide Whittier Narrows with two (2) events: one in the Spring and one in the Fall. Each event (festival or fair) is a family oriented carnival type fair with intergenerational game booths and rides, merchant booths, food and non-alcoholic beverage booths, and live entertainment provided by local community groups.

Implementation of Strategic Plan Goals

The proposed Concession Agreement with OEI will further the County of Los Angeles' (County) Strategic Plan Organizational Effectiveness (Goal 3) by utilizing an experienced operator to increase the range of recreational opportunities, Fiscal Responsibility (Goal 4) by increasing revenues and providing funding for infrastructure improvements at the facility, and Children and Families' Well-Being (Goal 5) by creating affordable, accessible and quality child educational and cultural opportunities.

FISCAL IMPACT/FINANCING

Pursuant to the terms of the Concession Agreement, the Concessionaire shall pay the County on a per event basis, an amount equal to the greater of a minimum rent or a percentage of the total gross receipts received in connection with the operation of each event. The proposed Concession Agreement will result in additional estimated revenue of \$105,000 for Fiscal Year 2008-09 and is projected to increase during the term of the Agreement from \$105,000 to \$125,000 annually (Attachment I).

Operating Budget Impact

The proposed Agreement will result in additional estimated revenue of \$105,000 to the Department's Operating budget in Fiscal Year 2008-09, and is projected to increase during the term of the Agreement from \$105,000 to \$125,000 annually (Attachment I).

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Board is authorized by the provision of Government Code Section 25907 to contract for concessions and services that are consistent with public park and recreation purposes within Whittier Narrows and pursuant to the provisions of the Department of the Army Lease for Park and Recreational Purposes Whittier Narrows Flood Control Basin No. DAC W09-1-86-43 granted to the County by the Secretary of the Army under authority of the Flood Control Act of 1944, Section 4 as amended. The proposed Concession Agreement is consistent with said purposes.

The term of the Concession Agreement at Whittier Narrows is for three (3) years and includes a provision whereby the Director of the Department of Parks and Recreation (Director) may annually extend the Concession Agreement for up to two (2) one-year renewal option periods. The Director may exercise the options if, in his opinion, the Concessionaire is in compliance with all of the terms and conditions stated in the Concession Agreement.

This Concession Agreement contains terms and conditions supporting your Board's ordinances, policies, and programs, including, but not limited, to: County's Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code Chapter 2.202; and the Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; and the standard Board-directed clauses that provide for contract termination or renegotiation.

OEI has executed the attached Concession Agreement and will provide the required insurance policies prior to the start of this Concession Agreement naming the County and the United States Army Corps of Engineers (Corps) as additional insureds.

The Corps has reviewed and approved the proposed Concession Agreement.

County Counsel has approved the Concession Agreement as to form.

ENVIRONMENTAL DOCUMENTATION

The proposed agreement is categorically exempt from CEQA according to Section 15301 of the State CEQA Guidelines and Class 4(j) of the Environmental Document Reporting Procedures and Guidelines, adopted by the Board on November 17, 1987, because the agreement provides for permits, licensing and leases on existing facilities.

CONTRACTING PROCESS

On January 3, 2008, the Department commenced solicitation for the operation of a festivals and fairs concession by mailing a Request for Proposals (RFP) solicitation package to four (4) prospective proposers currently operating festival and fairs concessions in the State of California. Notice of this solicitation was also posted on the County's "Doing Business with Us" website. The notice also included a link to download the solicitation package and bilingual instructions on how to contact the Department regarding this project.

On January 18, 2008, the Department received one (1) proposal.

The proposal was first reviewed to ensure compliance with mandatory minimum requirements outlined in the RFP. Having met those requirements, the proposal was then evaluated by an Evaluation Committee.

The Evaluation Committee, comprised of three (3) Department employees, reviewed the proposal for business experience and qualifications, financial capability, rent to the County, service, maintenance, and safety programs, and the ability to operate a festivals and fairs concession. Based on the evaluation criteria described in the RFP, OEI was determined to have met all requirements.

Attachment I reflects the Proposer's minority participation. It should be noted that upon final analysis and award, the Concessionaire was selected without regard to gender, race, creed, or color.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this Concession Agreement will not infringe on the role of the County in its relationship to its residents, and the County's ability to respond to emergencies will not be impaired. There is no change in risk exposure to the County as a result of awarding this Concession Agreement. Pursuant to the Concession Agreement, the Concessionaire will be responsible for cleaning and restoration of the park premises after each event. In addition, if there is a need for extra Department staff due to the operation of each event, the Concessionaire will be responsible for reimbursement of the Department labor costs. Additionally, this Concession Agreement will commence the day following Board approval.

CONCLUSION

It is requested that a certified copy of the action taken by the Board and a fully executed copy of the attached Concession Agreement be mailed to: O Entertainment, Inc., Attention: Mr. Troy Hassett, 539 East Bixby Road, Suite 59, Long Beach, California 90807. In addition, it is requested that one (1) conformed copy be sent to the Treasurer and Tax Collector, one (1) conformed copy be sent to the Assessor, and four (4) conformed copies be forwarded to the Department of Parks and Recreation.

Respectfully submitted,

WILLIAM T FUJIOKA

1.0 OPERATING AGREEMENT WITH CORPS

- 1.1 This Agreement is granted subject to all rights and privileges retained by the United States of America, Department of the Army, (hereinafter: United States) within the Whittier Narrows Dam Recreational Area pursuant to the provisions and conditions of the "Department of the Army Lease for Park and Recreational Purposes Whittier Narrows Flood Control Basin, No. DACW09-1-86-43", as approved by the Board of Supervisors of Los Angeles County on April 14, 1987 and granted to County by the Secretary of the Army under authority of Section 4 of the Act of Congress approved December 22, 1944, as amended. Accordingly, Lessee accepts and agrees to be bound by the following conditions thereof:
- a. That the primary purpose of the Whittier Narrows Flood Control Basin is the control of flood, and nothing herein expressed or implied shall be construed so as to conflict with that purpose.
 - b. That the leased premises shall be subordinate to the use thereof by the Department of the Army in the operation and maintenance of the Whittier Narrows Flood Control and Basin.
 - c. That the exercise of the privileges granted herein shall conform to such rules and regulations as may be prescribed by the Secretary of the Army to govern the public use of Area B of the Whittier Narrows Dam Recreational Area, and shall be subject to the general supervision of the District Engineer for the Los Angeles District of the Army Corps of Engineers (hereinafter: District Engineer).
 - d. That the United States shall be held harmless from all claims which may arise from or be incident to the exercise of the privileges granted herein.
 - e. That the United States and the Los Angeles County Flood Control District shall not be liable for damages to property or injuries to persons which may arise from or be incidental to the exercise of the

privileges granted herein or for damages to the property of Lessee, or for damages to the property or injuries to the person of Lessee and/or the officers, agents, servants or employees or others who may be on the leased premises at their invitation or the invitation of any one of them, arising from or incident to the flooding of said leased premises by the United States or the Los Angeles County Flood Control District, or flooding from any other cause, or arising from or incident to any other governmental activities on the leased premises, and Lessee shall hold the United States, the Los Angeles County Flood Control District and the County of Los Angeles harmless from any and all such claims.

- f. That this Agreement shall be subject to the prior approval of the District Engineer.
- g. That charges for services rendered and for the use of the leased premises shall be reasonable and shall have the prior written approval of the District Engineer.
- h. That Lessee shall hold the United States, the Los Angeles County Flood District and the County of Los Angeles harmless from any and all claims or rights of action for damages which may or might arise or accrue to Lessee and/or the officers, agents, servants, employees or others who may be on the leased premises at their invitation or the invitation of any one of them, by reason of injuries to the property, or the person of any of them resulting from the entry upon or the use of the leased premises, by the United States, the Los Angeles County Flood Control District, the County of Los Angeles or any one of them at anytime, for any purpose necessary or convenient in connection with river and flood control work, or for the removal of timber required or necessary for such work, or by reason of the flooding of the leased premises, or any part thereof, when in the judgment of any of them such flooding is necessary in connection with flood control work.

- i. That the leased premises shall not be used for human habitation except for night watchmen or patrolmen. Any such night watchmen or patrolmen, and any structures or trailers located on the leased premises for the use of such persons shall be subject to the prior approval thereof by the District Engineer.
- j. That the United States, its officers, agents and employees may enter upon the leased premises at any time for any purpose necessary or convenient in connection with river and flood control work, and to remove therefrom timber or other material required or necessary for such work, to flood said leased premises when necessary, and/or to make any other use thereof as may be necessary in connection with flood control work, and Lessee shall have no claim for damages of any character on account thereof against the United States or any agent, officer, or employee thereof.
- k. That the United States may construct, or permit the construction of, facilities for military requirements and for communications, electrical distribution or transmission, water supply, flood channels, sewage disposal and similar purposes on the leased premises, and Lessee shall have no claim for compensation for damage of any character on account thereof.
- l. That this Agreement may be revoked by the Secretary of the Army in the event the County and/or Lessee violates any of the terms and conditions of this Agreement and persists therein for a period of thirty (30) days after notice thereof in writing by the District Engineer. Upon any such revocation, Lessee shall vacate the leased premises, remove all property therefrom and restore said leased premises to a condition satisfactory to the District Engineer within such time as the Secretary of the Army may designate. the Army may cause it to be removed and the leased premises to be so restored at the expense of Lessee, and no claim for damages against the United States or its officers or agents shall be created by or made on account of such removal and restoration work.

- m. That no member of or delegate to Congress or resident commissioner shall be admitted to any share or part of this Agreement or of the benefits arising from the Lessee's operations at Whittier Narrows Dam Recreational Area pursuant to this Agreement. Nothing, however, herein contained shall be construed to extend to any incorporated company, if said Agreement is for the general benefit of such corporation or company.

- 3.5 Concessionaire understands and agrees that this Agreement is by concession; and confers only permission to occupy and use the concession premises described for the prescribed purposes in accordance with the terms and conditions hereinafter specified without granting or reserving to Concessionaire any interest or estate therein; the expenditure of capital and/or labor in the course of use and occupancy thereunder shall not confer any interest or estate in the concession premises by virtue of said use, occupancy and/or

expenditure of money thereon; and it is the intention of the parties to limit the right of use granted herein to a personal, revocable and unassignable privilege of use in the concession premises for the use granted herein.

remove said structures, buildings and/or improvements upon written notice ninety (90) days prior to the date of termination of this Agreement. Should Concessionaire fail to remove said structures, buildings and improvements, same may be sold, removed or demolished, and Concessionaire shall reimburse County for any cost or expense in connection therewith in excess of any consideration received by County as a result of said sale, removal or demolition.

- 4.6 Upon completion of the Spring and Fall fairs, Concessionaire shall be responsible for repairing any damage, except for normal wear and tear, caused to the concession premises while conducting said activities. Additionally, the Concessionaire shall be responsible for repairing any damage caused to Area B of the Whittier Narrows Dam Recreational Area due to the ingress and egress of Concessionaire's equipment and vehicles and due to the ingress and egress of the vehicles of the patrons attending each activity.

- 5.1 The term of the Agreement shall be for a period of three (3) years commencing on the first day following the approval of this Agreement by the Board of Supervisors, unless terminated sooner or extended, in whole or in part, as provided for in this Agreement.
- 5.2 The County shall have the sole option to extend the Agreement term for up to two (2) additional one-year periods, for a maximum Agreement term of five (5) years. Each such option year shall be exercised individually and at the sole discretion of the Director.

6.0 CONSIDERATION

- 6.1 In consideration for the use granted herein pursuant to Subsection 3.1 hereinabove, Concessionaire shall pay to the County on a per event basis an amount equal to the greater of (1) a minimum rent or (2) a percentage of the total gross receipts received in connection with the operation of each event.

- 6.1.1 The schedule of minimum rent due per event in accordance with Paragraph 6.1 above is as follows:
 - 6.1.1.1 Spring 2008: \$65,000; Fall 2008: \$40,000
 - 6.1.1.2 Spring 2009: \$65,000; Fall 2009: \$45,000
 - 6.1.1.3 Spring 2010: \$67,500; Fall 2010: \$45,000
 - 6.1.2 Pursuant to the Director extending the options as identified in Paragraph 5.2 of this Agreement, the minimum rent to be paid per event in accordance with Paragraph 6.1, will be as follows:
 - 6.1.2.1 Spring 2011: \$70,000; Fall 2011: \$47,500
 - 6.1.2.2 Spring 2012: \$72,500; Fall 2012: \$52,500
 - 6.1.3 During the term of the Agreement and all option periods exercised, the schedule of percentage rent of total gross receipts received to be used in accordance with Paragraph 6.1 above on a per event basis is as follows: Twenty-Five Percent (25%) of all gross receipts received up to \$300,000; Twenty-Seven and a Half Percent (27.5%) of all gross receipts received between \$300,000 and \$400,000; and Thirty Percent (30%) of all gross receipts received in excess of \$400,000.
 - 6.1.4 Within thirty (30) days following the conclusion of each event, Concessionaire shall submit to the Department a report of all gross receipts received during the preceding event with the applicable percentages applied as indicated above. Said report shall be reconciled against the minimum amount due per event with the greater amount being paid by Concessionaire to the County in accordance with Paragraph 6.1.
- 6.2 In addition to the payment of rent described above, the Concessionaire shall be required to pay, on a per event basis, any applicable staffing

charges, and any supplemental fees as required by USACE and other governmental agencies as applicable.

- Staff charges are subject to change by the Board of Supervisors and may vary from year to year during the term of this Agreement.

- 6.3 In the event that the Concessionaire cannot operate the concession in the Spring or in the Fall for one, two or three days consecutively or otherwise due to inclement weather, the Concessionaire shall pay in accordance with Paragraph 6.1, a prorated minimum amount or the percentage of total gross receipts received, whichever is greater. The prorated minimum amount shall be determined by dividing the minimum rent for that event by the number of operating days and then multiplied by the number of days the event was open to the public (e.g. Spring 2008: \$65,000/10 days x 8 days operated = \$52,000). The percentage of total gross receipts is not prorated and the Concessionaire shall use the schedule identified in Subparagraph 6.1.3 to determine the percentage for that event.
- 6.4 In the event that either the Spring Fair or the Fall Fair is extended as described in Paragraph 12.4, Days and Hours of Operation, Subparagraph 12.4.4, the Concessionaire shall use the applicable schedules of minimum rent described in Subparagraph 6.1.1 or 6.1.2 and the schedule of percentage rent described in Subparagraph 6.1.3 when determining the Consideration to be paid in accordance with Paragraph 6.1.
- 6.5 When the Director and Concessionaire find that with regard to a particular activity not otherwise provided for herein, the Director may authorize, with the consent of the District Engineer, said activity and establish a minimum amount as payment for the privilege of engaging therein. Said minimum amount shall be set by mutual consent of the Director and Concessionaire and shall be reasonable in accordance with the revenue to be generated therefrom.

- 6.6 Payment shall be made to the Department on or before the fifteenth (15th) day following receipt of the gross receipts report as identified in Subparagraph 6.1.4 above. Payment shall be by check or draft and made payable to the County of Los Angeles Department of Parks and Recreation. Payments shall be mailed or otherwise delivered to the Treasurer/Tax Collector, P.O. Box 54927, Los Angeles, California 90054-0927. A late payment charge of two percent (2%) per month shall be added to any late payment received by the Treasurer/Tax Collector. However, the late payment charge herein provided may be waived, whenever the Director finds the late payment excusable by reason of extenuating circumstances. At no time during the term of this Agreement shall the County be obligated to notify the Concessionaire of the accumulation of late payment charges.

7.0 CHANGES AND AMENDMENTS

- 7.1 The County's Board of Supervisors or its designee may require the addition and/or change of certain terms and conditions in the Agreement during the term of this Agreement. The County reserves the right to add/or change such provisions as required by the County's Board of Supervisors. To implement such orders, an Amendment to the Agreement shall be prepared and executed by the Director and Concessionaire.
- 7.2 Notwithstanding the above, this document may be modified only by further written agreement between the parties. Any such modification shall not be effective unless and until executed by Concessionaire and in the case of County, until approved by the Board of Supervisors.

8.0 ACCOUNTING RECORDS

- 8.1 Concessionaire shall maintain a method of accounting which shall, to the satisfaction of the Auditor-Controller, correctly and accurately reflect the gross receipts and disbursements of Concessionaire in connection with the operation. The method of accounting, including bank accounts, established for said operation shall be separate from

the accounting system used for any other business operated by Concessionaire or for recording Concessionaire's personal financial affairs. Such method shall include the keeping of the following documents:

- 8.1.1 Regular books of accounting such as general ledgers;
- 8.1.2 Journals including any supporting and underlying documents such as vouchers, checks, tickets, bank statements, etc.;
- 8.1.3 State and Federal income tax returns and sales tax returns and checks and other documents providing payment of sums shown which shall be kept in confidence by County;
- 8.1.4 Cash register tapes (daily tapes may be separated but shall be retained so that from day to day the sales and/or rentals can be identified);
- 8.1.5 Any other accounting records that the Auditor-Controller deems necessary for proper reporting of receipts;

8.2 All sales shall be recorded by means of cash registers which publicly display the amount of each sale and automatically issue a customer's receipt or certify the amount recorded on a sales slip. Said cash registers shall in all cases have locked-in sales totals and transaction counters which are constantly accumulating and which cannot, in either case, be reset. In addition, such cash registers must have a tape located within the register upon which transaction numbers and sales details are imprinted. Beginning and ending cash register readings shall be made a matter of daily record. In the event of a technical or electrical failure of the cash registers, Concessionaire shall record by hand all collections, and issue a sequentially pre-numbered customer's receipt in like manner.

8.3 All documents, books and accounting records shall be open for inspection and reinspection at any reasonable time during the term of this Agreement and for five (5) years thereafter. In addition, the County may from time to time conduct an audit and reaudit of the

books and business conducted by Concessionaire and observe the operation of the business so that accuracy of the above records can be confirmed. All information obtained in connection with the County's inspection of records or audit shall be treated as confidential information and exempt from the public disclosure thereof to the extent permitted under the California Public Records Act. Notwithstanding the above, the County reserves the right to release all documents, books and accounting records provided by Concessionaire as necessary for the purpose of providing an annual statement of receipts and expenditures to the District Engineer as required by the County's lease with the United States.

- 8.4 Should the Director find that the additional rental payment due to County exceeds two percent (2%) of the total amount which should have been paid as determined by such review or audit and observation, and there being no reasonable basis for the failure to report and pay thereon, Concessionaire shall also pay the cost of the audit as determined by County and pay any penalty heretofore provided for the delinquent payments.
- 8.5 Concessionaire shall furnish the Director with an annual profit and loss statement and a balance sheet for those operations provided under this Agreement. The profit and loss statement and balance sheet shall prepared by a person and form acceptable to the County and submitted by the end of each calendar year during the term of this Agreement.

9.0 SECURITY DEPOSIT

- 9.1 Prior to the commencement of this Agreement, Concessionaire shall pay to the Director the sum of not less than Five Thousand Dollars (\$5,000). In lieu thereof, Concessionaire may deposit said amount in a bank whose deposits are insured under the Federal Deposit Insurance Act (12 U.S.C. 1811 et seq.) or a savings and loan institution whose deposits are insured under Title 4 of the National Housing Act (12

U.S.C. 1724 et seq.), provided that a certificate of deposit is delivered to the Director giving County the exclusive right to withdraw any or all of said amount during the term of this Agreement. Concessionaire shall be entitled to any and all interest accruing from said certificate of deposit.

- 9.2 Said Deposit shall serve as security for faithful performance of all covenants, promises and conditions assumed herein by Concessionaire, and may be applied in satisfaction and/or mitigation of damages arising from a breach thereof, including, but not limited to, delinquent payments; correction of maintenance deficiencies; securing required insurance; loss of revenue due to abandonment, vacation or discontinuance of the agreement; discrimination; refunding of deposits for scheduled future events which are required to be canceled due to abandonment, vacation or discontinuance of the agreement ; a breach of obligations assumed by Concessionaire herein with respect to the requirements therefore by County, including the payment of mechanic's liens. Application of amounts on deposit in satisfaction and/or mitigation of damages shall be without prejudice to the exercise of any other rights provided herein or by law to remedy a breach of this Agreement.
- 9.3 In the event any or all of said amount is applied in satisfaction and/or mitigation of damages Concessionaire shall immediately deposit such sums as are necessary to restore the Security Deposit to the full amount required hereunder.
- 9.4 Said Deposit shall be returned to Concessionaire upon termination of this Agreement less any amounts that may be withheld therefrom by County as heretofore provided.

10.0 DESTRUCTION OF THE CONCESSION PREMISES AND/OR WHITTIER NARROWS DAM RECREATIONAL AREA

- 10.1 In the event the concession premises shall be totally or partially destroyed by a risk covered by the insurance coverage required

herein, Concessionaire shall either restore the premises or terminate this Concession Agreement. If the destruction is from a risk for which coverage is not required or provided under said policy of insurance, County shall either restore the premises or terminate this Concession Agreement. County shall make the loss adjustment with the insurance company insuring the loss and receive payment of the proceeds of insurance. Said insurance proceeds, if any, shall be held for the benefit of Concessionaire only in the event of an election by Concessionaire to restore the premises and shall be disbursed in installments as construction progresses for payment of the costs of restoration upon satisfactory performance of the work required, as evidenced by certification of completion by the Director and release of mechanic's liens by all persons furnishing labor and materials thereon. If the proceeds of insurance are insufficient to pay the actual costs of restoration, Concessionaire shall deposit the amount of the deficiency with the County upon demand therefor by the Director, and said sums shall be held for payment of said costs and disbursed in the manner heretofore provided. Any undistributed funds shall be retained by County and credited to the rental reserved over the remaining term of this Concession Agreement. In the event Concessionaire elects to restore the concession premises, plans, specifications, and construction cost estimates for the restoration thereof shall be prepared by Concessionaire and forwarded to Director for approval prior to the performance of any work thereon. Said documents shall be prepared and submitted in a timely manner following adjustments of the loss and receipt of the proceeds of insurance by County. The required construction shall be performed by Concessionaire and/or licensed and bondable contractor(s) thereof who shall be required to carry comprehensive liability and property damage insurance, workers' compensation insurance, and standard fire, and extended coverage insurance, with vandalism and malicious mischief endorsements,

during the period of construction, in amounts equal to the insurance limits required herein, or as otherwise determined by the County. Said construction shall be commenced promptly following the approval thereof by the Director, issuance of permits therefor by governmental agencies having jurisdiction thereover, and posting of the construction site by County with notice of non-responsibility, and shall be diligently prosecuted to completion. All work shall be performed in accordance with the approved plans and specifications, unless changes therein are approved in advance thereof by Director. Concessionaire agrees that County may have on the site at any time during the construction period an inspector who shall have the right of access to the concession premises and the work occurring thereon. Concessionaire, at the commencement of the construction work, shall notify Director in writing of the identity, place of business, and telephone number of responsible person(s) in charge of the construction to be occurring thereon. All construction shall be performed in a good and workmanlike manner. Upon completion of the restoration, Concessionaire shall immediately record a notice of completion with the Registrar-Recorder.

- 10.2 If the premises are restored, this Agreement shall continue in full force and effect, except that the payment to be made by Concessionaire shall be abated and/or other relief afforded to the extent that the Director may determine the damage and/or restoration interferes with the concession operation provided a claim therefor is filed with the Director within one hundred (100) days of notice of election to restore the premises. Any such claim shall be denied if the destruction of the concession premises is found by the Director to have been caused by the fault or neglect of Concessionaire. Concessionaire agrees to cooperate in the determination of the abatement and/or other relief to be provided by furnishing all information requested relative to the concession operation, and permitting examination and audit of all accounting records kept in connection with the conduct thereof.

- 10.3 Concessionaire shall cooperate in the restoration of the concession premises by vacating and removing therefrom all items of inventory, trade fixtures, equipment and furnishings for such periods as are required for the restoration thereof.
- 10.4 The aforesaid provisions for abatement and/or other relief shall also be applicable to a total or partial destruction of Whittier Narrows Dam Recreational Area by the aforementioned causes, except that the relief to be provided shall be based upon the extent the Director may determine that the reduction in the public's use of said park due to the partial or total closure thereof has affected the concession.
- 10.5 Concessionaire agrees to accept the remedy heretofore provided in the event of a destruction of the concession premises and/or Whittier Narrows Dam Recreational Area and hereby waives any and all additional rights and remedies for relief or compensation that are presently available or may hereafter be made available under the laws and statutes of this State.

11.0 CONSTRUCTION BY COUNTY AFFECTING CONCESSION PREMISES AND/WHITTIER NARROWS DAM RECREATIONAL AREA

- 11.1 In the event County shall construct or cause to be constructed a new facility for the concession, this Agreement shall continue in full force and effect, except that the payments to be made by Concessionaire shall be abated and/or other relief afforded to the extent that the Director may determine the construction interferes with the authorized operations, provided a claim therefor is filed with the Director within one hundred (100) days of commencement of construction.
- 11.2 Concessionaire agrees to cooperate with County in the event the construction affects the concession premises by vacating and removing therefrom all items of inventory, trade fixtures, equipment and furnishings for such periods as are required by the construction of the new facilities. Concessionaire further agrees to cooperate in the

determination of the abatement and/or other relief to be provided by furnishing all information requested relative to the operation and permitting examination and audit of all accounting records kept in connection with the conduct thereof.

- 11.3 Following completion of the new facility, Concessionaire shall resume its operations therefrom within thirty (30) days of written notice from the Director that the concession premises are tenantable.
- 11.4 The aforementioned provisions of this section shall also be applicable in the event of performance of work at the Whittier Narrows Dam Recreational Area that requires a partial or total closure thereof, except that the abatement and/or other relief to be provided shall be based upon the extent the Director may determine that the reduction in the public's use of the Whittier Narrows Dam Recreational Area due to the partial or total closure thereof, has affected the Concessionaire's operations.
- 11.5 Concessionaire agrees to accept the remedy heretofore provided in the event of construction upon the concession premises and/or the Whittier Narrows Dam Recreational Area, and hereby waives any and all additional rights and remedies for relief or compensation that are presently available or may be made available hereafter under the laws and statutes of this State.

13.14 FORCE MAJEURE; TIME EXTENSIONS

13.14.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").

13.14.2 Notwithstanding the foregoing, a default by a subcontractor of Concessionaire shall not constitute a force majeure event, unless such default arises out of causes beyond the control

of both Concessionaire and such subcontractor, and without any fault or negligence of either of them. In such case, Concessionaire shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Concessionaire to meet the required performance schedule. As used in this sub-paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

13.14.3 In the event Concessionaire's failure to perform arises out of a force majeure event, Concessionaire agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

13.15 GOVERNING LAW, JURISDICTION, and VENUE

This Agreement shall be governed by, and construed in accordance with, the laws of the State of California. 13.18 INSURANCE REQUIREMENTS

Without limiting the Concessionaire's indemnification of the County and during the term of this Agreement, the Concessionaire shall provide and maintain at its own expense, and shall require all of its subcontractors to maintain, the following programs of insurance specified in this Agreement. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

13.18.2 Notification of Incidents, Claims or Suits

Concessionaire shall report to County:

Alternatively, County may purchase such required insurance coverage, and without further notice to Concessionaire, County may deduct from sums due to Concessionaire

While the County reserves the right to determine independently that the anti-discrimination provisions of this Agreement have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Concessionaire has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by

- 13.26.3 No re-entry or taking of the concession premises by County pursuant to Sub-Paragraph 13.26.2 of this section shall be construed as an election to terminate this Agreement unless a written notice of such intention is given to Concessionaire or unless the termination thereof be decreed by a court of competent jurisdiction.

13.27 SEVERABILITY

If any provision of this Agreement is determined to be illegal, invalid or unenforceable by a court of competent jurisdiction, the remaining provisions hereof shall not be affected thereby and shall remain in full force and effect.

- 13.28.2 In the event the County determines that the Concessionaire has violated the sublicense provision contained herein, the same shall constitute a material breach of Agreement upon which the County may determine to cancel, terminate, or suspend this Agreement, or assess liquidated damages. The parties agree that it would be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Concessionaire to comply with the sublicense provision. The parties hereby agree that under the current

circumstances a reasonable estimate of such damage is One Thousand Dollars (\$1,000.00) and that the Concessionaire shall be liable to County for liquidated damages in said amount.

Should Concessionaire fail or refuse to deliver to County a quitclaim deed as aforesaid, a written notice by County reciting the failure of the Concessionaire to execute and deliver the quitclaim deed shall, after ten (10) days from the date of recordation of the notice, be conclusive evidence against Concessionaire and all persons claiming under Concessionaire, of the termination of this Agreement.

13.30 TAXES AND ASSESSMENTS

13.30.1 The property interest conveyed herein may be subject to real property taxation and/or assessment thereon, and in the event thereof, Concessionaire shall pay before delinquency all lawful taxes, including but not limited to possessory interest taxes, assessments, fees or charges which at any

time may be levied by the State, County, City or any other tax or assessment-levying body upon the concession premises and any improvements located thereon.

- 13.30.2 Concessionaire shall also pay all taxes, assessments, fees and charges on goods, merchandise, fixtures, appliances and equipment owned or used therein.

13.31 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN CHILD SUPPORT COMPLIANCE

Failure of Concessionaire to maintain compliance with the requirements set for in Subsection 13.8 "Concessionaire's Warranty Of Adherence To County's Child Support Compliance Program" shall constitute a default by Concessionaire under this Agreement. Without limiting the rights and remedies available to County under any other provision of this Agreement, failure to cure such default within 90 days of notice by the Los Angeles County District Attorney shall be grounds upon which the county Board of Supervisors may terminate this Agreement pursuant to Subsection 13.2 "Cancellation".

13.32 TERMINATION FOR CONVENIENCE; SUSPENSION

- 13.32.1 Termination for Convenience. The Agreement may be terminated, in whole or in part from time to time, by County in its sole discretion for whatever reason. Termination of Agreement hereunder shall be effected by delivery to Concessionaire of a written notice of termination for convenience from the Director specifying the extent to which performance is terminated and the date upon which such termination shall become effective. The date upon which such termination becomes effective shall be no less than one hundred eighty (180) days after notice.

13.33 TERMINATION FOR IMPROPER CONSIDERATION

13.33.1 County may, by written notice to Concessionaire, immediately terminate the right of Concessionaire to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Concessionaire, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to the Concessionaire's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Concessionaire as it could pursue in the event of default by the Concessionaire.

13.33.2 Concessionaire shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the Auditor-Controller's Fraud Hotline at (800) 544-6861 or to such other number as may be provided to Concessionaire in writing by County

Concessionaire and each County Lobbyist or County Lobbying firm as defined in Los Angeles County Code Section 2.160.010, retained by Concessionaire, shall fully comply with the County Lobbyist Ordinance, Los Angeles County Code 2.160. Failure on the part of

Concessionaire or any County Lobbyist or County lobbying firm retained by Concessionaire to fully comply with the County Lobbyist Ordinance shall constitute a material breach of this Agreement upon which County may immediately terminate or suspend this Agreement.

13.36 TERMINATION UPON TRANSFER OF TITLE OR PARK CLOSURE

13.36.1 Notwithstanding any other provision of this Agreement, in the event the County transfers its interest in the Whittier Narrows Dam Recreational Area and the concession premises to a governmental agency (assignee), the County reserves the right to: terminate this Agreement; or provided there is consent by an assignee, assign the County's interest in this Agreement to said assignee. County shall provide advance notice to the Concessionaire of such park closure.

13.37 TRANSFERS

13.37.1 Concessionaire shall not, without written consent of the Director, transfer, assign, sublicense, hypothecate or mortgage this Agreement. Any attempted transfer, assignment, sublicense, hypothecation or mortgage without the written consent of the Director shall be null and void, and shall constitute a material breach of this Agreement.

- 13.37.2 Each and all of the provisions, agreements, terms, covenants and conditions herein contained to be performed by Concessionaire shall be binding upon any transferee thereof.
- 13.37.3 The use granted shall not be transferable by testamentary disposition or the State laws of interstate succession, as the rights, privileges, and use conferred by this Agreement shall terminate prior to the date for expiration thereof in the event of the death of Concessionaire occurring within the term herein provided. Additionally, neither this Agreement nor any interest therein shall be transferable in proceedings in attachment or execution against Concessionaire, or in voluntary or involuntary proceedings in bankruptcy or insolvency or receivership taken by or against Concessionaire, or by any process of law including proceedings under Chapter X or XI of the Bankruptcy Act.
- 13.37.4 Shareholders and/or partners of Concessionaire may transfer, sell, exchange, assign or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment or divestment is affected in such a way as to give majority control of Concessionaire to any persons, corporation, partnership or legal entity other than the majority controlling interest therein at the time of the execution of this Agreement, the Director's approval thereof shall be required. Consent to any such transfer shall be refused if the Director finds that the transferee is lacking in experience and/or financial ability to conduct the operation of the Whittier Narrows Dam Recreational Area.
- 13.37.5 The prohibition herein contained shall not be applicable with respect to transfers of this Agreement arising from the

exercise of a power of sale or judicial foreclosure pursuant to the terms and conditions of a hypothecation or mortgage previously approved by the Director.

13.37.6 In the event Concessionaire shall request the prior written consent of Director to give, assign, transfer or grant control of this Agreement, and Director gives written consent to the assignment, a transfer fee equal to one percent (1%) of the gross sales price shall be paid to County. Said sum shall be payable to County in full either within thirty (30) days after said consent is given or prior to the close of any escrow, whichever occurs first. Prior to Director's consent to such assignment, the assignor shall first deliver to assignee a written schedule of all sums due and owing to County from the assignor with such schedule in a form subject to the approval of the Director in all respects, and second, shall deliver to Director, as part of the acceptance of the assignment, a written acknowledgment by the assignee that the assignee (a) affirms the sums due and owing to County and (b) accepts responsibility for payment of such sums directly to County. Exempted from said transfer fee shall be the following:

- a. A transfer of an undivided interest in the agreement between or among co-workers or affiliated entities which results in a change in method of holding title but does not result in a change to the proportional interests held by the co-owners or affiliated entities prior to the transfer;
- b. An assignment which serves as security for the repayment of a loan from any lender but which does not entitle the assignee to an immediate right to use, occupy, possess or receive the rents or profits from the agreement for so long as the assignor makes the

required periodic payments and complies with other provisions of the loan;

- c. A transfer of title of the agreement to a lender purchaser at the foreclosure sale under a deed of trust on the property or by assignment to the lender or its nominee in lieu of foreclosure;
- d. Such other assignment for which the Director determines that the ownership interests in the agreement have remained unchanged, such as a change in the legal or fictitious name of the Concessionaire without any other change in the equity, in beneficial use of, or legal title to the agreement as an asset, or the income produced thereby. The Director's decision in such cases shall be appealable to the Board of Supervisors within ten (10) days after receipt of written notice of the Director's decision. Any such appeal request shall be accompanied by a Certificate of Deposit filed with the Director in the full amount of the transfer fee; the Certificate of Deposit shall be payable to County, and the interest thereon shall accumulate, but the principal sum and interest shall remain the property of Concessionaire in the event the Director's decision is reversed.

13.38 WAIVER

- 13.38.1 Any waiver by County of any breach of any one or more of the covenants, conditions, terms and agreements herein contained shall not be construed to be a waiver of any subsequent or other breach of the same or of any other covenant, condition, term or agreement herein contained, nor shall failure on the part of County to require exact, full and complete compliance with any of the covenants, conditions, terms or agreements herein contained be

construed as in any manner changing the terms of this Agreement or estopping County from enforcing the full provisions thereof.

- 13.38.2 No delay, failure, or omission of County to re-enter the concession premises or to exercise any right, power, privilege or option, arising from any default, nor any subsequent acceptance of payments then or thereafter accrued shall impair any such right, power, privilege or option, or be construed as a waiver of or acquiescence in such default or as a relinquishment of any right.
- 13.38.3 No notice to Concessionaire shall be required to restore or revive "time of the essence" after the waiver by County of any default.
- 13.38.4 No option, right, power, remedy or privilege of County shall be construed as being exhausted by the exercise thereof in one or more instances. The rights, powers, options and remedies given County by this Agreement shall be cumulative.

13.39 WARRANTY AGAINST CONTINGENT FEES

- 13.39.1 The Concessionaire warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon any Agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Concessionaire for the purpose of securing business.
- 13.39.2 For breach of this warranty, the County shall have the right to terminate this Agreement and, at its sole discretion, deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

Parking/Traffic Control

O Entertainment manages, controls and supervises all vehicles entering and parking within Whittier Narrows Dam Recreational Area for deliveries of all primary, secondary and tertiary equipment required for the events and for purposes of attending each event. Parking Plan has been implemented at this site for 27 years. No traffic back-up or problems have ever been recorded. Ninety percent of the attendance is on Saturday and Sunday. The length of the fair hours spread the parking load evenly over the eleven hours that the fair operates. The demographics show that this event averages 4 people per vehicle further lessening the risk of grid lock. Parking is FREE, so there is no delay in entering the fair parking areas.

Parking/Traffic Control Plan

O Entertainment schedules six (6) supervisors, twenty-four (24) parking attendants and seven (7) security personnel to the parking area each day of the weekend and a Los Angeles County Police patrol vehicle to monitor the parking areas. Contact Lieutenant G. Valderrama, (310) 222-3311, Los Angeles County Police.

Each parking attendant must wear a reflector vest and is equipped to carry a directional flash light. Parking lot is coned, and barricades are erected at the two main entrances and exits. Each row of parked vehicles has supervision. All supervisors and security personnel are equipped to carry and operated walkie talkies. Los Angeles County Police, Off-duty Los Angeles County Sheriffs and seven security are interlinked via walkie talkie and cellular phones.

Parking/Traffic Operational Plan

Entrances into the event parking lots are right hand turns on northbound Rosemead Blvd., and a left hand turn on southbound Rosemead Blvd.. As the vehicle enters Whittier Narrows Recreational Area, it is immediately directed by the point supervisor to turn left at the Parking Lot #1 Entrance. Parking Lot #1 is manned by eight (8) parking attendants and three (3) security personnel. If Parking Lot #1 is deemed to become congested, traffic is immediately redirected east to Parking Lot #2 Entrance. This keeps a constant flow and keeps the incoming traffic from backing up on northbound Rosemead Blvd. In a rare case that gridlock should occur at the entrance, traffic is redirected northbound on Rosemead Blvd. to Rush at which point Directional signage will direct the vehicle to turn right, eastbound to Chico and then right, south to parking lots. The parking lot is manned by twenty-four (24) personnel in teams of three. Two teams are assigned to row parking from Parking Lot #1 Entrance and a third team is assigned to the same for Parking Lot #2 Entrance.

Lighting is provided to the parking lots by three (4) diesel lighting towers and a fifth tower is assigned to the main parking entrance. Visibility is very good at night. Entrances and exits are clearly marked by directional signs and by the use of flares at night. By instruction and agreement with the California Highway Patrol all vehicles exit northbound on Rosemead Blvd.

Placement of directional parking signs as approved by the County, traffic cones, delineators and signage indicating "No Parking" will be the responsibility of O Entertainment.

Department of the Treasury Internal Revenue Service

Notice 1015

(Rev. December 2007)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2007 are less than \$39,783 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2008.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from the IRS website at www.irs.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2007 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2007 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2007 and owes no tax but is eligible for a credit of \$825, he or she must file a 2007 tax return to get the \$825 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2008 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
